FOREWORD

Football must be the most unpredictable game in the wonderful world of sport.

Only two games ago the SSMFL qualifying rounds looked to be heading for a predictable finish.

Maddington were three games clear in first place. Kenwick, Gosnells and Kelmscott had all won eight games and led Canning by two clear games. And as Canning's next game was against Maddington, it was fair to assume that the top four would be finalised.

But that was not to be. No-one (other than those that frequent Wyong Oval) had correctly assessed the Tigers' improvement and their sustained run of six successive wins, including one against The Bulls, makes them likely finalists and highly respected ones at that.

Their rush towards the four has been assisted of course, by Gosnells back-peddalling and Peter Dougan looks to be almost at wits end trying to arrest the slide.

The competition has received a further boost by the intense struggle for second place. Only two points separate Kelmscott and Kenwick and both meet sides of similar stature in their last five games, so the side with the perfect record will probably get the berth.

And Canning's win over Maddington and Kenwick's ability to share the points with them, has also brought them back to the field.

Those two results will give the other three finalists — whoever they are — a more optimistic outlook on the finals series.

TODAY'S GAMES:

Gosnells' future will be decided at GOSNELLS OVAL when they play Kelmscott. Gosnells appear to have lost all confidence and certainly all their big men and with the incentive of holding second place to motivate them, Kelmscott should win.

Canning's future will also be decided at MEDINA OVAL when they meet Kwinana. The Knights are a vastly improved side and will play a part in shaping the four but Canning have the players and again, the incentive, to stretch their winning sequence to seven.

Armada showed great spirit and hope for 1977 in their win against Gosnells last week and they'll be out to confirm that performance with a convincing win against Kalamunda at HARTFIELD PARK.

Kenwick look too accomplished for Thornlie and they should stay on Kelmscott's heels with a win at MILLS PARK. The Wicks have now arranged their team to gain maximum benefit from all players and they should win well.

Maddington will welcome Mandurah's visit to MANDURAH OVAL as it will give them time to regroup and re-think before the finals. They're in a different class to the Seaside.

OBITUARY

It is with regret that we announce the death of our Past Registrar Mr. Clive Simcock at Canning on Sunday 11th July. He will be sadly missed by all officials and players within this league. Our deepest sympathy is extended to his family.

THE BULLDOGS

Against Kalamunda last week the Bulldogs continued to display the ruthless attitude that is required to get to the top and showed Kalamunda no mercy.

The list of Kelmscott best players includes 20 determined competitors who displayed the strength and skills that come from a 100% team effort:

Particularly impressive individual efforts were put in by Glen Mezger who controlled his position all day and used intelligent disposal to give the forwards a feast of opportunity. Chris Parsons and Ray Witt were simply too good for their opponents across the half-forward line and capped off a brilliant display of skills with 8 goals and 6 goals respectively.

The team is now reaching its peak with the finals just around the corner and we ask the players to support Eddie Donnes with a 100% effort at training to bring the flag home to the new Bulldog Club.

In the reserves game against Kalamunda Kelmscott controlled the centre bounce which enabled them to run out comfortable winners, however they must learn a lesson from the semi side and appreciate that to just play to just win is not good enough. It is necessary to adopt an attitude of complete annihilation. Best Players: Killer Hildebrandt, Mike Johnson, Claude Clissa.

TIGER TALES

The upset we were waiting for amongst the top four eventuated last Sunday with the defeat of fourth side Gosnells by Armadale. And one we weren't waiting for very nearly occurred, with Thornlie breathing down the Tigers necks throughout the game and threatening our final four chances right up till the final siren. The ever reliable Tiger backline again steadied under pressure however, and with Bill Archibald returning his best game for the season, Thornlie's valiant attempts were thwarted and the Tigers notched their sixth victory in a row. While praise, and not criticism must go to our senior team for their efforts, it is never the less frustrating to see a team continually give their opponents a start in the game and thus make their task of winning a more difficult one than it should be. Still, pressure football is good practice for finals and nothing but lots of bad luck will keep us from a finals appearance this year.

Our Seconds continue to improve, notching up a most impressive victory over. Thornlie They have left their run too late for a finals appearance, though their efforts will be rewarded by placing much needed pressure on positions in the league side.

Peter Vulich drew great applause when he collected his "coaches award" for the game last week. Peter has played the last few games with two badly broken fingers and his courage in taking the field does not go unrecognised.

A "Games Nite", to be held at Wyong on July 30 is our next social function and all players and members are urged to attend. Admission is \$4 with drinks, refreshments and suitable entertainment provided for in the cost

A supporters incentive scheme is now under way and supporters may pledge a donation towards a final four appearance or a premier ship by placing their name and donation on the board in the change rooms. Your donation from \$1 upwards will be received with thanks by the committee.

Last but not least — great news for her legion of supporters — Dominya Ra is back in work!

THE HAWKS

Our loss to Armadale in the league match last Sunday has resulted in pressure being put on our team to go out and demonstrate how they can play in this situation. From here on in and especially in the next four games. The Hawks will be the underdogs and this should prove a psychological advantage and provide us with a stimulus to fight back. We are now in the position of a much needed victory and we need to play to the best of our ability and for the full four quarters.

Best players for the league last week against Armadale were Ray Minson playing at centre halfback, Arthur Jones roving and Peter Dougan our coach and ruckman.

The Reserves side played another outstanding game with a great victory over Armadale winning by some eighteen goals. It has been eleven years since the Gosnells Reserve have won a premiership flag and 1976 proves a very real possibility as this side are definite contenders. Best players in the reserves side were Graham Campbell playing ruck rover, Des Rice on a half-forward flank, Murray James and Lee Bain. All players performed as a team using handball to the best advantage, backing up and running on. Congratulations to every player in the side. Best wishes for a speedy recovery are extended to Steve Fydluwy who sustained a compound fracture of the nose in last week's game and we look forward to seeing Steve back in the team soon.

Personal congratulations to Ken Reynolds and wife Cherie on the arrival of their baby daughter.

Congratulations to Mr. and Mrs. Jeff Crabb who celebrated their twelfth Wedding Anniversary last Sunday. We believe Jeff was married on his twenty second birthday, so best wishes for your double celebration Jeff. We trust all your presents were not wrapped.

SOCIAL: Tickets for the Sportsman's night are selling like hot cakes. This function is being held at the Gosnells Hotel on July 28. DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today, we travel to Forrestfield, home of Kalamunda F.C., the Kougars. Treat this club with a healthy respect you Demons, otherwise you'll come unstuck.

Last week at Gosnells, the day belonged to the League side, with their great win. After commanding a handy lead at the half-time changeover, and then surrendering the lead in the third quarter, the Demons did what most of us thought they wouldn't do, and that was to come back at 'em in a style that was a joy to watch. This last quarter was a true backs-to-the-wall fight when the only way left to go, was forward. I tell you folks, in that last quarter, Doug was on the liniment again, Leevo was nudging and winking like the clappers (kno what I mean?), and Bluey Brown was getting bombarded with gravel every time the Demons scored a goal. This game saw Gary Greer play a true captain's game with his personal example of sheer determination. His game was closely followed by 'Sneaky' Pete Gajda, Peter Van Helden, Peter Wilkes, and Billy Griffiths (against his old club). The final quarter performances of Tanglefoot Connell, Trotty, and 'Shorty' Knezevich was the deciding factor. Congratulations to every player on their fine team effort. Why Peter Griffiths does not get in the first eighteen is a constant puzzle to me. I hope he gets his chance this week.

The Reserves, unable to field the team that did so well against Kwinana the week before, did not get going well enough, often enough to make an impression on their opponents. However, there were players like Brian Barry, Mike Meloncelli, Lindsay Galloway, Fish Heron, and Terry Harper who were able to match and often beat their respective opponents well enough. Come on fellas, you're long overdue for a win, commit yourselves totally today, and this will be it.

The Under 18's narrowly lost by three points against Thornlie last week, in a game that saw 'Hendo', Vince Vlasich (21.C.'s) and Russell Stevens emerging as best players. Don't let this flag slip away from you fellas, not now you've come this far! Skippy Ashton reckons the support for this team is not good enough. This team deserves better support, so ho about you Demon followers?

They say laughter's the best medicine, so here's a dose. Did you hear about the Irish tap dancer? He fell in the sink!

MIGHTY ROYALS

In one of the most exciting days football ever witnessed in the South Suburban Competition Kenwick and Maddington fought a draw in the league match, while the Reserves match was won by Kenwick in the dying seconds of the match. The results of both matches were decided with the last kick in each match, and all four sides must be paid a tribute for the brand of football displayed.

Reserves: — A grand team effort was rewarded with a fitting triumph when the Royals defeated the previously unbeaten Maddington side. Both sides produced a high standard of football, with Kenwick finding that something extra in the last quarter to clinch the match. Special mention must be made of John Eddy's two spectacular marks in the final quarter and Miles Strang's match winning goal in the last ten seconds of the game. Best players — Butcher, Rocky, Wayne Ogg.

League: — This match between two highly professional sides was a real beauty and showed why both teams are at the top of the premiership table. After an even first half, Maddington opened up a handy lead in the third quarter and went into the last term four goals ahead. However, Kenwick, showing true spirit and determination, fought back and seized the lead by a goal. To the disappointment of the Kenwick supporters, a Maddington player marked and kicked a goal after the final siren and the match ended in a draw. Best Players — J. Risely, A. Stal, G. Worthington, K. Lofts, Nicholas brothers and fourteen others.

SOCIAL:

Congratulations to Carol and Brian O'Donnell on the arrival of a baby boy. The recently held Boys Night was a big success. Tipping Cards could be improved — how about it?

Two dates to remember —

August 4th — Quiz Night.

August 28th Wind-Up and Presentation Night. Make sure to keep these nights free and bring along your friends so that the evenings go swingingly along for all our enjoyment.

Players — last week was a frustrating one after a good performance against Thornlie, injuries hit us hard and results were not good. We must learn that umpires too can have off days.

Great game Ian Price, this player inspires with his determined play and natural ability. Gary Marston is starting to put his ability to the club's advantage — put four quarters together Gary and you will then achieve your challenge and our objectives to win.

Graham, four quarter effort for the reserves one of the best games you have played for the club.

Armada welcome — join us at Wattle Grove Hall after the game.

Players training is starting to slacken off with the members attending, however your hard working coaches and committee have not.

We need dedication for victories, you owe this to us — how about it.

IN MEMORIAM

Football in general and the Maddington Football and Sportsman's Club in particular suffered a great loss when Mr Clive Simcock passed away last Sunday and we feel it fitting that we pay tribute to him through the medium of the Gazette.

Clive has been associated with this Club for over a quarter of a century and throughout this time has been an able administrator and advocate of our national game. The many offices held by him include nine years as President, five of them consecutive from 1950 to 1957 and a number of years as Secretary. In recognition of his services Clive won the Be Clubman Award in 1954 and 1963 and in 1968 was elected a Life Member of the Club.

In more recent times he served as League Registrar for several years, working tirelessly to improve the standard of player registration. It was only at the end of last season that he stood down from the position because of ill health.

People prepared to devote time to a cause without thought of personal gain are in the minority but to do so for so long is an indication of Clive's dedication and a fine example for others to follow.

To his family we offer our sincere sympathy in the passing of a fine gentleman.

THE KNIGHTS NOTES

The return to fine weather last week appeared to signal the start of a return to form by both grades last week. Let's hope we can improve this form and knock Canning from their recently built pedestal and show them who should be final four contenders.

In what was probably our best performance of the season the League side completely outplayed Mandurah to win convincingly 23.22 to 10.11. A vast improvement was shown by many players, easing the burden for the stalwarts of the side. Our smaller players continually burrowed in and forced the ball forward towards goal. They were ably supported by the muscle brigade and all players ran much harder and longer than in recent weeks. Best Players were W. Turnbull, F. Legena, Ron De Boer, M. Lloyd and G. Cucrow.

The Reserves showed a reversal of form in the second half to win 15.12 to 3.7. Half time scores were 3.7 to 3.2 and the game appeared to be a repeat of the previous week's effort. After the break all players appeared to lift themselves and they overpowered their opposition with good team football and (noticeably) constructive backing up and talking. Let's hope they can improve further and upset top sides. Best Players were S. Muir, T. Riseberry, L. Smith, T. Mamion and M. Griffin.

I must impress upon all players the continuous need for hard training as players of the calibre of "Noddy", Doug Ridley, Mick Indich, Gary Frazer, John McBride and Ron Caporn are sure to apply the pressure. Keep up your support of John Murray.

SOCIAL NOTES:

Mens night was a colossal success but King Arthur is now broke. Cabaret tickets for July 23rd are now available.

IN THE LIONS LAIR

Womens Liberation has struck! We have a lady guest writer this week, due to circumstances beyond our control.

LEO

Firstly, great to see so many faithful supporters at Wyong last week, braving the chilly weather and giving encouragement to the teams. (If you haven't a club windcheater get one quick, they're warm). Unfortunately, Canning proved too strong in the reserve games and had a comfortable win. Best players were Steve Phillips and Graham (Ringo) Norris, with a brilliant display of boundary umpiring by body beautiful Bob Miller — a treat for all!

The league put up a creditable fight against a team that recently downed the Bulls and finished only a few goals behind. I was fortunate (between toddler chasing) to see the starring mark taken by Paul Deters and his overall good performance on the day along with the Whyte brothers, Ray Dalton and my best buddy David A. Payne. Good to see Gav Denton up and about after last Sunday's injury.

The day finished on a friendly, social note with refreshments (hot milo) after the game in the warmth of the hall.

A tremendous effort by the 18's in beating the top side Armadale, football as it should be played, with best players Grub Gleason, Phil Hesford and consistent tryer Wayne Lloyd. Keep at it in the next vital games.

On the social scene, our thanks to all those that attended the Annual Ball and made it a tremendous night — Congrats. to Pop Briant on receiving his life membership badge and great to see follow up photos of club celebrities in the South Suburban. Very pleasing also to see new and old faces around the club, and the good response we are getting at present. Involvement is what it's all about. Next function is the Quiz Night on Friday 23rd July, and should be as much fun as the last, with Michael Brock as compere.

Get a ticket soon, see you there.

Keep Roaring Mrs. Leo.
